

THE COURSES

Deerhurst Highlands

DEERHURST HIGHLANDS

Par 72, 7011 yards, 136 slope
Design: Robert Cupp, Thomas McBroom

One of Canada's top-rated courses, the challenging Deerhurst Highlands features dramatic terrain densely wooded with maple, oak and pine. Distinctive granite outcroppings accent a layout that breaks from the wilderness into a section of links-style holes. If you want to golf a quintessentially Canadian course, Deerhurst Highlands is for you.

DEERHURST LAKESIDE

Par 64, 4596 yards, 112 slope
Redesign: Thomas McBroom

Winding along the shore of Peninsula Lake, the Deerhurst Lakeside course provides a compact yet challenging game for both serious and novice players. This charming layout rolls throughout the resort, with deep bunkers, undulating greens, tight fairways and well-placed ponds, testing every club in your bag.
