2010 GOLF MEMBERSHIPS

All Deerhurst golf memberships include use of a power cart and Golf Association of Ontario membership (except for the Corporate membership packages which do not include GAO membership.) Rates below reflect an 8% reduction of 2010 rates to compensate for expected course closures during a maximum period of June 15 – 29 due to the G8 Summit. If the course(s) remain open for additional dates over that period, there will be no increase in rates.

The rates below include applicable GST and are in effect until April 30, 2010, at which time Ontario's new Harmonized Sales Tax (HST) will be added to the membership value. (Subject to change; for details please contact the pro shops directly.)
