WELCOME TO DEERHURST HIGHLANDS GOLF COURSE

**Par 72 | 7,011 yards | Designed by Robert Cupp
and Thomas McBroom in 1990.**

The course that inspired Muskoka's emergence as a top Canadian golf destination, Deerhurst Highlands is considered the 'granddaddy' of championship golf in the region. Its design takes full advantage of the dramatic landscape, capitalizing on elevation changes, rugged granite outcroppings and dense forests. The result is a highly playable, well-balanced course that has stood the test of time. Despite its pro-level challenges, 6 different tee decks provide rewarding golf experiences for a wide range of abilities.
