## HAPPY CANADA DAY!

While we celebrate the return of summertime guests enjoying a classic Canadian summer vacation, we acknowledge that our history began long before the first designated Canada Day, with Canada first being identified as a part of Turtle Island by the Indigenous community. As we enjoy the Muskoka fresh air, lakeside relaxation and sunshine, we at Deerhurst Resort would like to respectfully acknowledge that we are on the traditional territory of the Anishinaabeg, specifically the Chippewa, Ojibwa and Potawatomi peoples, under the terms of the Robinson-Huron Treaty #61 of 1850, and the Williams Treaties of 1923. We are grateful to be here. We hope you are too.
