 **Dear Pet,**

We would like to take this opportunity to welcome you and your owner to Deerhurst Resort. Here is a small list of reminders to ensure that you have an enjoyable stay!

- When your owner takes you outside on property during your stay, please ensure that you are wearing your leash. You should also always be on leash inside the resort as well but feel free to remove it once you're in the comfort of your own room. See back for a map of pet-friendly areas!
- Pet, although we love you, the health board does have rules. Unfortunately we will not be able to allow you inside our restaurants, meeting rooms, pools or the fitness facilities.
- There are several trails and dog-friendly areas on property, however there are also areas where you are not able to venture, such as the **main waterfront and beach**. There is also a dog park in Huntsville where you can meet new friends. Please ask one of our Guest Services team about it!
- If your owner requires information about local pet supply retailers, groomers, vets, or any other pet services please ask a member of our Guest Services team.
- If your owner leaves the room, keep in mind that there are other guests around you and it is important that you do not bark at all strange sounds or if you get lonely. If we or other guests hear you, we will have to call your owners to come back to the room. If the hotel needs to compensate other guests due to your barking we pass these costs to your owner. Sorry, but it is only fair.
- A pet fee of **\$50.00 plus taxes** will be charged per stay (up to 5 nights) to your owner's guest account for extra cleaning required after your departure.
- Your owner is responsible for any damages caused by "accidents" or chewing, so please be on your best behaviour.

Should you or your owner have any questions during your stay please don't bark, rather contact Guest Services by dialing "0."

Sincerely,

The Pet Lovers at Deerhurst Resort. 

For the safety of your pet we have highlighted/shaded the areas that your pet is allowed on property. Please note this map is not to scale. **Please do not forget to Scoop the Poop to keep our grounds clean and readily available for the enjoyment of other guests and pets.**
